- Will: Hi! I'm William. And here's... er well, something that looks a bit like Li, but kind of half-Li and half-animal. Are you okay Li?
- Li: Yes, I am very well, thank you.
- Will: I don't mean to be rude, but... why have you got a large, bushy tail today?
- Li: 你问我为什么拖着一个毛茸茸的大尾巴? 嗨, 你不知道我这是奉老板之命!
- Will: The boss told you that you had to come in with a tail?
- Li: Yes.
- Will: Right. But what about the bright, sparkling glitter around your eyes?
- Li: 怎么样? 这眼影效果不错吧, 我看上去是不是很迷人, 亮眼晶晶的? lovely and bright?
- Will: Well, yes, they are kind of... dazzling.
- Li: 我觉得呀老板一定会特别高兴的。昨天他对我不满意, 说我看上去疲惫无力。我的确精神不太好因为头天没睡好觉。
- Will: So what will the tail and sparkly eyes do – make you work harder or what?
- Li: Yes! 肯定会!
- Will: Look, I'm not sure that the rest of the team will be able to concentrate with all of that fur and glitter in the office!
- Li: 不过这是老板的注意呀 – 又不是我想出来的。
- Will: Li, what did he actually say?
- Li: He said: 'Li, tomorrow I expect you to come in bright-eyed and bushy-tailed.'
- Will: It's just an expression.

- Li: **What?** 什么这又是一个短语? 这太让我尴尬了。
- Will: **Yes. If you're bright-eyed and bushy-tailed, you're full of energy and enthusiasm. The boss didn't expect you to come in looking like some kind of squirrel on its way to the Oscars.**
- Li: **Oh. Bright-eyed and bushy-tailed** 意思是精神饱满的。
- Will: **He just wanted you to be a bit more motivated and energetic.**
- Li: **Oh no, 我怎么才能把这大尾巴摘下来呢, 我用了很多胶水才把它粘上去的。 Everyone will laugh at me, Will!**
- Will: **Maybe. Here are some examples:**

### Examples

*Wow, look at you, all bright-eyed and bushy-tailed! It looks like you're ready for action! After the summer holidays, the children returned to school bright-eyed and bushy-tailed.*

- Li: **Oh Will, what will people say when they look at my tail?**
- Will: **They'll probably just start feeding you nuts.**
- Li: **太糟糕了。**
- Will: **Or maybe acorns.**
- Li: **Will, help me please! Pull this tail, 快帮我把这个大尾巴拽下来呀!**
- Will: **Okay, okay, come here.**
- Li: **都怪老板! It's all the boss's fault!**
