**Li:** My favourite pork pie, I haven't had it for days... Oh I feel a bit sick, a headache... Sean, Sean, have you got a painkiller? Sean?

**Sean:** Li, catch.

**Li:** What? Carrot?

**Sean:** Li, here's another for you.

**Li:** Apple? I want painkillers I have a headache.

**Sean:** I don't mean to sound rude Li, but you know, you are what you eat and it's time to do away with the junk food.

**Li:** To do away with 意思是放弃。他让我放弃猪肉饼还有炸薯条? Should I do away with my favourite pork pie and chips? No way.

**Sean:** Look at what I eat: 5-a-day, that's five pieces of organic fruit, organic yoghurt, free-range organic eggs and wholesome organic bread.

**Li:** Mmm 5-a-day, 每日五份蔬菜水果, organic fruit 有机水果, organic yogurt 有机酸奶 free-range organic eggs 散养的绿色鸡蛋, 还有 wholemeal and organic bread 有机全麦面包。You should be called Mr Organic then.

**Sean:** Well, that's better than Miss Pork Pie, isn't it?

**Li:** But I don't eat pork pies everyday do I, so you can't call me that! Sean, are you sure you are not tempted by these lovely, yummy, tasty pork pies and chips?

**Sean:** Nope. Miss Pork Pie. You'll never catch me eating anything non-organic.

**Li:** Sean says he will never eat anything non-organic 他绝对不会吃非绿色食品的。That's a great phrase! Here is how you use it:

I'm afraid of heights. So you will never catch me jumping out of an airplane.

**Sean:** I love classical music; you will never catch me going to a pop concert.

**Li:** I'm a bit old-fashioned you will never catch me wearing mini skirts like that.

**Sean:** I am very health conscious. You won't catch me eating those chips, that's for sure.

**Li:** Lovely I can't have enough of it. Oh my headache. Sean I think I have to go and get some painkillers.

*With Li out of the room...*

**Sean:** She won't notice. Oh one, just one...

**Li:** Oh I forgot to recap today's cool phrase: 今天的短语是:决不会做什么事的。  
You will never catch Mr Organic eat anything non-organic.

**Sean:** But there is another phrase, a better phrase: Never say never.

**Li:** Cool people never say never!

**Sean:** Look.

**Li:** Cool people never say never!
